RE: Public Disclosure Request Dated 3/19/12

Dear Mrs. Sesko:

The City of Bremerton is in receipt of your letter requesting information pursuant to the Washington Public Disclosure Act, Chapter 42.56 of the Revised Code of Washington (RCW). The City will use the date of your request as a cut-off date for the records you requested.

If any of the information you requested is public record subject to disclosure, a copy of the records

which respond to your request will be provided to you as soon as the records can be copied. The City estimates that it will be able to provide a response to the request by 4/24/12.

According to RCW 42.56.210(3), if any of the requested information is a public record withheld on the basis that it is exempt from disclosure, the City will provide you with a statement of the specific exemption authorizing the City to withhold the documents (or part), and a brief explanation of how the exemption applies to the document requested. Please note that the provisions of Ch. 42.56 RCW pertain only to existing records and do not require the City to respond to interrogatory questions, or create records in response to written inquiries.

Sincerely,

Shannon L. Corin
